C.A.(M)

Governance | Strategy | Institutional Advisory | Board Effectiveness | Risk | Public Policy

MANAGING PARTNER / FAISAL MALIK & CO

INSTITUTIONAL INSIGHT. PRACTICAL IMPACT.

FMC GROUP

We help businesses innovate and grow

EXECUTIVE PERSPECTIVE

Governance with impact

PROFESSIONAL OVERVIEW

Adj. Prof. Mohamad Faisal Abdul Malik is a Chartered Accountant and senior governance, strategy and institutional advisory practitioner with more than 26 years of experience across corporate finance, management consulting, professional regulation and public-sector engagement. He has served as Managing Partner of Faisal Malik & Co since 2018.

DISTINCTIVE ADVISORY PERSPECTIVE

His work bridges board-level oversight, financial sustainability, regulatory understanding and practical institutional reform. He combines experience from multinational businesses with leadership in Malaysia's accountancy profession and national policy initiatives.

EXECUTIVE VALUE PROPOSITION

Board governance and independent challenge; institutional performance and financial discipline; policy and regulatory engagement; enterprise risk and controls; strategy implementation; leadership and capability development.

SELECTED CURRENT LEADERSHIP

Elected MIA Council Member (2026); former MIA Vice President (2022-2023); Managing Partner, FMC; Adjunct Professor, UiTM; Disciplinary Committee Panel member, Malaysian Bar; Nexus Governing Committee member, MPC Professional Services Productivity Nexus.

CAPABILITIES

Advisory disciplines

01 GOVERNANCE & BOARD EFFECTIVENESS

Board and committee effectiveness, governance reviews, governance frameworks, delegation and limits of authority, integrity and accountability, regulatory alignment, boardroom facilitation.

02 STRATEGY & FINANCIAL SUSTAINABILITY

Strategic planning, business model evaluation, institutional financial health, cost-benefit analysis, investment appraisal, budgeting, business transformation and organisational performance.

03 RISK, ASSURANCE & SUSTAINABILITY

Enterprise and financial risk, internal controls, internal audit, forensic and due diligence, anti-corruption readiness, ESG and sustainability reporting readiness.

04 PUBLIC POLICY & INSTITUTIONAL REFORM

SME and professional-services advocacy, national productivity, competitiveness indicators, financial-sector engagement, government policy formulation and regulatory reform.

05 LEADERSHIP & CAPABILITY DEVELOPMENT

Board and C-suite briefings, executive facilitation, finance for non-finance leaders, strategic people alignment, mentoring and professional capacity building.

NATIONAL CONTRIBUTIONS

Policy & regulatory influence

COVID-19 ECONOMIC RESPONSE

As MIA Council Member and Chairman of the Small and Medium Practices Committee, participated in high-level engagement with MOF, MITI, BNM and regulators on stimulus measures, business continuity and access to financing. His CV reports that six MIA recommendations were adopted by MOF; the exact recommendations await verification against MIA records.

PROFESSIONAL SERVICES & FINANCING

Engaged BNM and commercial banks on recognition of professional services providers and SME financing eligibility, including Special Relief Fund and related financing schemes. The CV cites RM12.43 billion in scheme value; this is not presented as funds personally secured.

NATIONAL PRODUCTIVITY & INDUSTRIAL POLICY

Third-term involvement in MPC's Nexus Governing Committee for the Professional Services Productivity Nexus; participation in #MyMUDAH, ProVAC, RMK-12 technical work and NIMP 2030 industry engagement.

SECTOR REPRESENTATION

Led MIA Small and Medium Practices Committee advocacy for a constituency described in the CV as approximately 3,000 firms; engaged stakeholders on essential services, regulatory deadlines and professional-practice resilience.

INSTITUTIONAL LEADERSHIP

Governance appointments

MALAYSIAN INSTITUTE OF ACCOUNTANTS

Elected Council Member 2019-2023 and again in 2026; Vice President July 2022-September 2023. Committee involvement includes Oversight, Nomination, Small and Medium Practices (Chair), Islamic Finance, Valuation, Discipline Appeal and ASEAN CPA Monitoring.

MALAYSIAN BAR

Member of the disciplinary committee panel, bringing experience in professional accountability, conduct and due process. Confidential case matters are not disclosed.

MPC / MITI PROFESSIONAL SERVICES PRODUCTIVITY NEXUS

Nexus Governing Committee member, third term, focused on professional-services productivity, digitalisation, industry structures, workforce capability and regulatory engagement.

ACADEMIC & INDUSTRY ADVISORY

Adjunct Professor at UiTM Faculty of Accountancy; Industry Scholar at Universiti Malaysia Terengganu and adviser / subject-matter contributor to university programmes.

OTHER PROFESSIONAL ENGAGEMENT

Participation in Syariah audit initiatives, governance and integrity assessment, ASEAN professional collaboration and professional standards development.

SELECTED ENGAGEMENTS

Governance & transformation

NEGERI SEMBILAN CORPORATION

Governance, due diligence and forensic-related advisory, including review of governance controls and delegated authority. Project-specific implementation outcomes require client confirmation.

UITM HOLDINGS / TNB ILSAS

Governance and control review for UiTM Holdings; multi-year good-governance engagement with TNB ILSAS.

AMWAY MALAYSIA

2026 board briefing on Corporate Governance Refresher & Emerging Governance Practices, addressing board effectiveness, governance culture, emerging risks and sustainability readiness.

PERMODALAN MENTERI BESAR KELANTAN

Financial and budgeting capability development for PMBK and 11 subsidiaries; related strategic advisory and financial sustainability work.

YAYASAN SARAWAK / DRB-HICOM

Financial risk management advisory for Yayasan Sarawak; C-suite business and financial analysis for DRB-HICOM Manufacturing.

MALAYSIA AIRLINES

Consulting and coaching in turnaround-related outplacement, financial planning and entrepreneurship transition (2015-2016). CV describes a programme scope of 5,000 personnel, not a verified count of individuals directly coached.

ECONOMIC ADVISORY

Competitiveness & reform

WORLD BANK B-READY

Lead facilitator / technical working group and subject-matter engagement on Financial Services and Taxation indicators, with regulators and industry stakeholders under national reform initiatives.

WORLD COMPETITIVENESS YEARBOOK

National analytical and engagement contributions on shareholder governance, financing SMEs, banking assets, cost of capital, investment incentives, IPOs and digital adoption. The current project context identifies IMD WCY; earlier CV references to WEF require correction.

SECTOR STUDIES & POLICY RESEARCH

Selected studies include palm oil taxation restructuring for MPOB, logistics service-tax impact for the Ministry of Transport, and business environment / progressive wage-related initiatives.

BRUNEI PUBLIC-SECTOR ADVISORY

Cost-benefit analysis and related policy evaluation / capability-building engagements for public-sector agencies in Brunei Darussalam. Dates and exact contracting entities require final validation.

ASEAN PROFESSIONAL COLLABORATION

Engagement with regional professional communities on Syariah audit and related professional services, including potential Indonesian and Vietnamese collaborations.

IMPACT EVIDENCE

Selected outcomes & scale

SIX POLICY RECOMMENDATIONS

The full CV reports six MIA recommendations adopted by MOF during the COVID-19 period. Treat as a CV-reported outcome pending official MIA record confirmation.

APPROXIMATELY 3,000 SMP FIRMS

Approximate professional constituency associated with chairmanship of the MIA Small and Medium Practices Committee, rather than a count of individually served clients.

RM12.43 BILLION FINANCING CONTEXT

Figure cited in the CV for Special Relief Fund and related schemes; contextual financing programme value, not an amount raised or disbursed by the profile subject.

5,000-PERSON PROGRAMME SCOPE

Malaysia Airlines turnaround-related outplacement programme scope cited in the CV. Individual participation and direct delivery figures remain to be verified.

200-BRANCH ADVISORY NETWORK

YaPEIM nationwide Ar-Rahnu business network cited in the CV in relation to a 2013-2016 business consulting assignment.

2022 PRODUCTIVITY CHAMPION

CV records recognition by Malaysia Productivity Corporation for e-SPO sustainability initiatives.

INTEGRITY & ASSURANCE

Risk, standards & ESG

GOVERNANCE & INTEGRITY ASSESSMENT

Appointed Lead and Field Assessor for the Integrity, Governance and Anti-Corruption Awards (AIGA) 2025 final assessment, according to the CV.

INTERNAL CONTROL & FORENSIC ADVISORY

Governance and control review, due diligence, anti-fraud, MACC Act Section 17A readiness, delegated authority and institutional risk management.

SUSTAINABILITY & REPORTING

Experience covering ESG advisory, integrated reporting, governance disclosure, GRI-related reporting, climate and sustainability readiness, and executive-level sustainability briefings.

ISLAMIC FINANCE & SYARIAH AUDIT

MIA Islamic Finance and Syariah Audit working group involvement, contribution to Syariah Audit White Paper work and delivery of professional certification learning modules.

GOVERNANCE PHILOSOPHY

Effective governance is more than compliance. The objective is to translate policies and frameworks into accountability, sound decisions, organisational culture and sustainable institutional value.

CAREER JOURNEY

Corporate & advisory track

2018-PRESENT / FAISAL MALIK & CO

Managing Partner. Advisory-led professional services covering governance, risk, strategy, sustainability, financial and institutional consulting.

2013-2017 / CAPITAL WEALTH CONSULTING

Director - Advisory. Business advisory, financial management, project viability, entrepreneurship consulting and corporate capability development. The CV reports team responsibility for more than 500 clients.

2007-2013 / PUBLIC MUTUAL, PUBLIC BANK GROUP

Management and leadership roles involving financial services, business performance, client engagement and capability development.

EARLIER CORPORATE EXPERIENCE

Corporate and regional finance experience with Sime Darby Group, UMW Toyota and Shell Group, including reporting, planning, systems and financial operations.

PROFESSIONAL & INDUSTRY EXPOSURE

Assignments and collaborations spanning listed and private businesses, GLCs, public institutions, professional bodies, universities and international / regional forums.

ACADEMIC FOUNDATION

Credentials & research

ACADEMIC QUALIFICATION

Bachelor of Accountancy (Hons), Universiti Teknologi MARA (UiTM).

PROFESSIONAL CERTIFICATIONS

Chartered Accountant, Malaysia (C.A.(M)); Certified Financial Planner (CFP); Certified Professional Syariah Auditor (CPSA); public finance qualification (CPFA); HRD Corp trainer credentials. Exact designation formats to be checked before external circulation.

PROFESSIONAL AFFILIATIONS

Malaysian Institute of Accountants; ASEAN CPA; Institute of Corporate Directors Malaysia; additional professional memberships and affiliations as documented in the source CV.

EXECUTIVE DEVELOPMENT

Entrepreneurship Development Institute of India (EDII) mentoring programme; HarvardX Entrepreneurship in Emerging Economies; other executive and professional learning.

CURRENT PHD RESEARCH / UNIVERSITI MALAYSIA TERENGGANU

Governance Disclosure and Financial Sustainability of Malaysian Federal Statutory Bodies: The Moderating Role of Political Networks. PhD research in progress; no completed doctorate is claimed.

ENGAGEMENT

Advisory perspective & contact

VALUE TO BOARDS, INSTITUTIONS & POLICYMAKERS

Independent governance perspective, strategic and financial analysis, public-policy literacy and pragmatic implementation insight. Engagements are shaped around the specific institution, its decision environment and the outcomes it seeks.

SELECTED AREAS FOR ENGAGEMENT

Board governance briefings and reviews; institutional governance and financial sustainability; enterprise risk and internal controls; policy and regulatory advisory; strategic and business transformation; executive and professional capability development.

DISCLOSURE & VERIFICATION

Selected project references and figures reflect the supplied CV and prior profile materials. Certain outcomes, role dates, client permissions and scheme values remain subject to final confirmation before public distribution.
